Spring Has Sprung!

As a new spring is upon us we welcome all the beautiful flowers that have waited so patiently for the rain to water them and the sun to shine its light.

Baby Lambs!

Thank you to Abey and her family from Ruckle park for sharing these wonderful animals with us.

March has been a fun month...

Baby Lamb visit, playing scrabble & cribbage, flower arranging, celebrating St. Patrick's Day, music performances by the K-Tones and Avril & Friends and seeing the spring flowers grow.

With Easter soon coming we will have an Easter Hat Parade April 2 at 1:30 pm. Hope to see family and friends join us!
