### Director(s) of Care

We are pleased to welcome Janice Benson to the role of Director of Care. We are also very pleased that outgoing DoC, Barb Williams will be staying with Greenwoods, returning to a staff nurse position. Barb has led the care team through many challenges over her seven years as DoC. Barb is looking forward to returning to the clinical focus and enjoying more time off to hike, travel and generally enjoy the great outdoors.

Janice is joining us from Winnipeg where she has worked as a nurse for 27 years. Janice started her career as a care aide in Long-Term Care, then returned to school for her LPN and RN education. In addition to many years in direct clinical care, Janice has also held roles as a manager and educator.

Janice looks forward to meeting family members when you come to visit your loved ones at Greenwoods. There will also be an opportunity to gather via zoom for family and friends who both live locally and afar. Please see the next page for details.
