Happy Retirement Charlotte

Thank you for your decade of Love and care for the Residents of Greenwoods. Always putting the residents first for their quality of life and well-being. Good Luck on your new Journey

We are grateful to our Volunteers that bring SO much to us. They allow us to engage in activities that we love like Scrabble, Bingo and playing cards.

What's Happening

We have been busy this fall with many performers bringing us wondeful music allowing us to dance & sing and be carried away in the moment...

What's Happening

LEST
WE
FORGET

lest we forget

They shall grow not old, as we that are left grow old:
Age shall not weary them, nor the years condemn.
At the going down of the sun
and in the morning,
We will remember them.

lest we forget
